NOTICE REGARDING RELIGIOUS INSTRUCTION

Families seeking admission to La Progresiva Presbyterian School (LPS) must understand that this is a Presbyterian school that affirms Jesus Christ as God incarnate and the Savior of men. Further, it is our mission to challenge our students to know Jesus as Lord. That is, we will not only teach our students Christian doctrine, we will actively seek to lead each of them to a personal, vital and ever-growing relationship with God through a decision to accept Jesus Christ as their Lord and Savior and to live in obedience to Him. Only those parents desiring this type of life for their children should consider LPS for the education of their children. While LPS accepts students who are not Christians, it does not tolerate any attitude or behavior that would be detrimental to the overall spiritual atmosphere of the school.

STATEMENT OF AGREEMENT

I have read the above notice and it is my desire for my student to know Jesus Christ as Lord and Savior and live in obedience to Him. I understand that cooperation with the general spiritual goals of La Progresiva Presbyterian School is a condition for admission and continued enrollment.
