STUDENT COMMITMENT

La Progresiva Presbyterian School is a ministry dedicated to the glory of God. It exists to help you pursue a well-rounded life in academics, physical development and spiritual growth. Each student at La Progresiva Presbyterian School should know and understand certain things about the school in order to be a successful student.

Here are some of the objectives of La Progresiva Presbyterian School:

- To teach the Bible as the inerrant Word of God, and the only reliable guide for living.
- To teach that Jesus Christ is the only hope of salvation, and His death, burial, and resurrection are the only source for the forgiveness of sin and eternal life.
- To teach that all truth within the curriculum is based on biblical truth in order to achieve true understanding and wisdom.
- To teach students to think clearly, analytically, logically, and critically as well as express themselves orally and in writing in an accurate and clear manner.
- To teach students to exhibit Christian character such as honesty, kindness and courtesy toward others.
- To develop understanding of the readiness to assume the responsibilities of productive citizenship in a country blessed by God.
- To realize the responsibilities the Christian has to share the gospel with the world around him.

These are but a few of our hopes and expectations of you. We trust that you will take every opportunity to open yourself up to the things offered at La Progresiva Presbyterian School and to live here as a responsible member of the school community. It is expected that you will at all times live in accordance with what our school represents and believes and that in all things you will respect it as well as be an example of what its members are and do.

As a Christian school, La Progresiva Presbyterian is committed to the teachings of the Bible. We are persuaded that there should be a direct relationship between what a Christian student believes and how he or she behaves. We acknowledge that creating a school community with behavioral standards that are acceptable to every student is impossible. We do, however, believe that specifying certain basic principles that govern all students equally are essential.

La Progresiva Presbyterian School students must commit themselves to:

- Abstain from involvement with tobacco, drugs, alcohol, sexual immorality and profane language.
- Submit, without reservation, to the authority of your parents, teachers, and school official as given to them by the Lord.

This is a commitment of a lifestyle, not just during school, but twenty-four hours a day. Violations are considered as breaking a firm commitment that each student makes when voluntarily choosing to attend the school. As a member of La Progresiva Presbyterian School, you will be expected to exert a positive influence in your social relationships and to be a responsible member of La Progresiva Presbyterian School community.

Will you faithfully abide by the school’s policies that govern the lifestyle of our students?
