## PRESBYTERIAN SCHOOL

### PK 3 Supply List

Welcome Back to School!!! There are many wonderful activities your child will be participating in this Pre-K year. We have created a list of materials that each child needs to bring in the first week of school. The experience of contributing to the classroom learning materials helps the children appreciate the cooperative effort that is necessary to build a learning environment. For these reasons, do not label the individual items, only label the bag.
